

## A Home Built in Spirit

Thanks to your generosity during this Lenten season, we have raised \$2,285 towards covering the cost to build a home for a family in Juarez, Mexico! Next week we'll add to this sum once the cans from our scaled-down version of a Proyecto Abrigo home are cashed in.

As a reminder, the cost to construct a Proyecto Abrigo home without the labor of a mission team is \$3,500. Here's how to continue your support of Proyecto Abrigo and its ministries:

- Place your rinsed aluminum cans in the collection bins in the Family Ministry Center. We will continue to collect these cans in the near term and convert them to cash to help support Proyecto Abrigo.
- Make a direct donation by writing a check to FUMC-Commerce designating Proyecto Abrigo in the memo line.
- Pray for Proyecto Abrigo and the people of Juarez.
- Learn about this mission at [www.proyectoabrigo.org](http://www.proyectoabrigo.org) or like Proyecto Abrigo on Facebook.

Please let us know  
of any 2011 high  
school or college  
graduates so we  
can celebrate!
