Helping Hands Joins Big Event

Last Saturday, folks from our congregation and the Trinity Lutheran Church did yard work at the home of Pete and Anne Chamberlain, residents of Commerce for over twenty-five years and members of the Trinity Lutheran Church. Everyone enjoyed working together towards a common goal: home site ready to paint for the Big Event, which is Commerce's annual cleanup day on April 10.

Raise your hand if you are joining us April 10 to paint the Chamberlain house by contacting Angela Roberts at 903-886-2142 or AQRoberts@hotmail.com. We'll meet at 8:30am at 1309 Hunt Street and work until lunchtime when hot stew and entertainment are provided at the City Park for all Big Event volunteers.

Crew chief Bob Mills gets a hand from Andrew Simpson

Lutheran pastor Jesse Heer stomps debris as homeowner Pete Chamberlain cheers on

Before

As of March 27

Imagine... then help make it a reality on **April 10!**

Helping Hands is an interdenominational effort to assist those who are physically and/or financially unable to make home repairs or do yard work.
